

**GARRY KRINSKY**  
**SCHOOL TECHNICAL RIDER**  
**Presenter Provides Sound**

**TECHNICAL REQUIREMENTS:**

1. **Performance Area Requirements:** A clean, mopped stage or performance area that is a minimum of 10 ft. by 15 ft. and at least 3 ft. from the audience. **Height from stage or floor to ceiling should be at least 15 ft.**
2. **Lighting:** A general warm wash is needed throughout the entire performance area. Artist prefers that houselights are up at a minimum of 80% for the entire performance.
3. **Sound:** Presenter must provide a high-quality sound system with two (2) inputs located stage left of the performance area. Artist will plug his own wireless microphone and cassette system (mini disc) into house system.
4. **Crew:** One (1) person to be available as needed from load-in through load-out.
5. **Day of Show Schedule:**
  - Arrival & Load-In: 1 hour prior to performance
  - Length of Performance: 45 – 50 minutes (no intermission)
  - Load-Out: 30 – 45 minutes after performance
6. **General:**
  - Presenter **must supply** the following ladder: **One (1) 8 ft. “A” frame aluminum step ladder that weighs approximately 20 lbs.** Preferred: Werner, Class 2, Rated for 225 lbs. - Artist balances this ladder on his chin as part of the performance. Wooden or fiberglass ladders are NOT acceptable.
  - Garry Krinsky should be introduced prior to the start of the performance as “Garry Krinsky presenting his original performance of *Toying with Science!*”
  - If performance is outside, wind will require the artist to modify or remove some of the balancing and juggling portions of the program.
  - **Presenter must return this with contract directions to a local grocery store.** Please also include estimated distance and travel times.

**HOSPITALITY REQUIREMENTS:**

1. **Dressing Area:** Presenter shall provide a private or faculty bathroom that is secure, lockable, clean and well-lit with good ventilation (heating, air conditioning, etc.) equipped with a mirror, chair, soap and towels and containing a toilet and a sink with running cold and hot water. *Please note that a bathroom shared with students and audience members is NOT suitable.*
2. **Beverages:** Presenter must provide two (2) 16 oz. bottles of water one (1) hour prior to each performance.
3. **Hotel Accommodations:** If hotel accommodations are being provided by the presenting organization (**see front of contract**), Garry Krinsky requires one (1) single, non-smoking room in a moderate hotel equipped with a mini-refrigerator and microwave. It is preferable that the hotel be in close proximity to the school. Examples of recommended chain hotels: Extended-Stay, Candlewood Suites, Homestead Suites, Best Western, Super 8, Microtel and Howard Johnson.

*\*Note: Days Inn, Bed & Breakfast, College Housing and Private Home accommodations are not acceptable.*

**PARKING REQUIREMENTS:**

Presenter must provide parking permits for one (1) mini-van in close proximity to the loading area of the performance space for the duration of the artist’s visit.
